Security Equipment - Entry Alarms

Model	Image	Product name	Price

8806		Door lock with entry alarm 8806 makes loud noise as alarm when there is a break in or authorized entry	12.06
DSA1		Door entry alarm and stopper DSA1 warn intruder and keep the door from being opened roughly	5.65
FK-908		Electronic guest-saluting doorbell FK-908 in maneki neko shape actives welcome music when there any people come by	1.74
HM-L04-002		Vibration motion alarm HM-L04-002 gives loud noise as alarm by detecting vibration and motion	4.03
HM-S01-012		China motion detector alarm HM-S01-012 detects motion within 10 meters by 110 degree, 105dB alarm sound	4.64
LK-136		Electronic guest-saluting doorbell LK-136 with light sensor actives melody music as welcome and alert for the host when there is any people entry door	2.73
MCO6-1		Door and window entry alarm MC06-1 is easy to mount by adhesive tape	1.13
RL-9805		Door and window entry alarm RL-9805 with sound as high as 90dB	1.13
RL-9805-B		Entry alarm RL-9805-B sounds alarm or door bell ring when entry from door or window	1.13

Security Equipment - Mobile Radios

Model	Image	Product name	Price
FD-150A		China mobile radio FD-150A supports 99 channels, standby time up to 120 hours	42.58
FD-450A		China UHF two way mobile radio FD-450A, 99 channels, 120 hours standby time	42.58

FD-68		China mobile radio FD-68 supports frequency memory, high output power	40.81
FD-780		China mobile radio FD-780 with high sensitivity receiver, 50 groups of CTCSS and 105 groups of DCS	47.90
FD-790		China two way radio FD-790 supports CTCSS/DCS, FM tuner, High and lower power switchable	49.68
JT-988		China UHF mobile radio JT-988 support full band, with LCD screen, FM tuner, flashlight, voice prompt	40.81
VEV-868		Mobile radio VEV-868 supports 136~174, 438~480MHz frequency range, 100 memory channels, 5W/10W/25W output power optional	159.68
VEV-889		VHF/UHF mobile radio VEV-889 supports dual band standby and display, power output optional, 200 memory channels, microphone with keys for program	170.56

Security Equipment - Personal Alarms

Model	Image	Product name	Price
HM-L01-002		Anti lost product HM-L01-002 protect your treasure, cell phone, wallet, kids, pets, keys	5.04
HM-L01-005		Human body sensor alarm HM-L01-005 for anti-theft and prevent unauthorized touch purpose	5.65
HM-L04-001		Anti lose alarm HM-L04-001 prevents pets, children, handbag and treasure things losing	6.45
JB-L03		Wristband anti-lost alarm JB-L03 to protect your child, pet or treature things when outdoor	5.69

Security Equipment - Smoke Alarms

Model	Image	Product name	Price

GB-2188		Smoke alarm GB-2188 with infrared photoelectric diode, high stability	5.65
JTY-GD-802		Battery powered smoke alarm JTY-GD-802 ideal for single family or small multiple family house	3.77
S802		High sensitivity smoke alarm S802 with lower power consumption processor, manual testing and reset function	5.12
SA410LLI		Smoke alarm SA410LLI works indenpently or link up to 12 alarms, powered by battery, alarm sound 85dB	7.06
SS-168		Network smoke alarm SS-168 suitable for any room and space, easy to install, protect your safety and properties	4.06
SS-168B		Wireless network smoke alarm SS-168B ideal for home and small office use, easy to installation	4.93

Security Equipment - Anti-theft & Lost

Model	Image	Product name	Price
FK-025		Vehicle vibration sensor alarm FK-025 with motion sensor protects your motorcycle or vehicle, easy installation	4.74
GT30i		Personal GPS tracking system GT30i with GPS module obtains accurate position data and send to specified mobile phone or server	87.10
GT60		GPS tracking device GT60 supports two-way audio, with buttons for SOS, phone calls and sending SMS	97.98
JX-610		Anti-theft alarm JX-610 protects bike by password, different sensitivity optional	4.74
MT80i		Mini GPS tracker MT80i can be clipped on belt for family members to know the position of children, pets, seniors	127.02

MT88		GPS tracking watch MT88 receives GPS position signal and sends to receiver through GMS network by SMS	130.65

Security Equipment - Alarm Systems

Model	Image	Product name	Price
F4		GSM wireless alarm system F4 supports quad band, sends alarm by SMS when detects unauthorized entry	79.84
HM-L02-001		Wireless alarm system kit HM-L02-001 including keypad, siren, control board, motion detector, fast installation and easy setup	22.74
HM-L02-002		GSM and PSTN dual network alarm system HM-L02-002 protects against theft, plundering, gas leakage and fire for home, office and many other places	58.06
PA-728		Alarm system PA-728 supports 8 zones + 2 keypad zones, including main panel(pcb) + keypad and metal box with transformer 110V & 220V	34.11
PSTN-SG0004		Home intelligent land line telephone security alarm system PSTN-SG0004 supports 4 zones	22.68

Security Equipment - Accessories

Model	Image	Product name	Price
9911		Remote controller 9911 with 2 or 4 buttons for security system or any other remote control device	1.74
9940		Remote controller 9940 with 2 or 4 buttons for home and office use	1.74
9983		Remote controller 9983 with 2 or 3 or 4 buttons for option, 315MHz frequency, compatible with security systems	1.74
9986		Remote controller 9986 with 3 or 4 buttons ideal for any security alarm systems, keychain included	1.74

9987		Keychain remote controller 9987 in compact size and lightweight, easy to carry and not easy to lose	1.96
9988		Remote controller 9988 for security system supports upg to 150 meters transmission distance	1.74
9989		Remote controller 9989 for security alarm systems, 315MHz frequency, 1 to 4 buttons optional	1.96
DG55		Dual rectangular element, low noise, high sensitivity detect sensor DG55 covers 100 degrees and 35x35 ft range	12.06
DG75		Digital dual-optic high-performance PIR DG75 supports 40kg/90lb true pet immunity	15.77
EL-55		PIR motion detector EL-55 is stable to use and wired with relay output funciton	3.79
HM-L03-001		Wired Strobe Siren with Flash Light HM-L03-001	1.96
HM-L03-002		Wireless infrared sensor HM-L03-002	4.19
HM-L03-003		Wireless door and windows sensor HM-L03-003	1.96
LC-100		PIR with selectable pet immunity LC-100 supports pet immunity up to 55 lbs(25kg)	10.20
PA-456		Glass break detector PA-456 with digital processor supports detection range of 9 meters, LED status indicator included	3.15
PA-465		Wireless Ceiling PIR Motion Detector PA-465 supports detecting range 6 meters x 360 degrees	4.74
PA-476		High performance passive infrared motion detector PA-476 in	3.15

		compact size and streamlined design is ideal for the security application	
PA-525D		Microwave and infrared digital motion detector PA-525D detects scope of 11m X 11m, super high ability of anti-interference of daily	7.20
RK410PT		Dual passive infrared detective technology pet immunity prevents the false alarm being caused by the dog of 33KG	6.63
RX-40QZ		Small animal immunity infrared alarm detector Z-40QZ gives extremely high false alarm protection with excellent tolerance to spot temperature changes from curtains, small animals, and pet	10.20

Surveillance Equipment - AV Capture Cards

Model	Image	Product name	Price
1704HC		CCTV capture card 1704HC supports 4 channel video input and 4 channel audio input, H.264 video compression	78.06
1704HF		CCTV capture card 1704HF support 4 channel video input and 4 channel audio input, motion detection, alarm input, video signal lost alarm	186.29
1704HT		Security camera capture card 1704HT supports 4 channel video input and 4 channel audio input, D1 preview resolution and half D1 compression resolution and capability of 100 fps DSP	127.74
1708HC		Surveillance capture card 1708HC supports 8 channel video input and 8 channel audio input and resolution of preview of 704x576	118.87
1708HF		Security camera capture card 1708HF supports 8 channel video and audio input, 200 fps DSP, 704x576 preview and compression resolution	337.10
1708HS		1708HS supports 8 channel video input, D1, CIF and 200 fps (PAL), adopted with PHILIPS PNX 170X series chip	83.39
1708HT		Video surveillance capture card 1708HT supports 8 channel video input and 8 channel audio input	241.29

1716HS		Video surveillance capture card 1716HC supports 16 channel video input and 2 channel audio input, D1, CIF, and 400 fps (PAL)	228.87
2404		Security video capture card 2404 supports 4 channel real time video and audio input, supports 720x288 resolution	16.45
2408		Economic CCTV capture card 2408 supports 8 channel video input and 4 channel audio input, H.264 video compression	17.42
2808		Cheap surveillance video capture card 2808 supports 8 channel video and audio input, H.264 video compression	31.05
6104B		Cheap surveillance capture card 6104B supports 4 channel video input and 1 channel audio input and display resolution up to 704x576	9.68
6404A		Video surveillance capture card 6404A supports 4 channel real time video input and allows user to view and record remotely through Internet	23.95
6802Bi		CCTV video camera capture card 6802Bi supports 4 channel video input, 1 channel audio input and 1 channel TV output	10.65
6802I		Cheap CCTV capture card 6802I supports 2 or 4 channel video input and 1 channel audio input, Techwell 6805 chipset	12.58
6804I		Security camera video and audio capture card 6804I supports 4 or 8 channel video input and 4 channel audio input, access through Internet and 23 languages	49.68
6808A		CCTV capture card 6808A supports 8 channel video input and record mode of continuous, motion detect and alarm active	42.58
9004E		CCTV capture card 9004E supports 4 channel video and audio input, H.264 video compression, 704x576 resolution	99.35
9008E		Surveillance video capture card 9008E supports 8 channel video and audio input, high definition	156.13
9108E		CCTV H.264 capture card 9108E supports 8 channel video input	76.29

		and 4 channel audio input, 704x576 high resolution	
9116E		CCTV security system software H.264 video and audio capture card 9116E supports 16 channel video input, 4 channel audio input	147.26
HM-F07-002		USB surveillance capture card HM-F07-002 supports 4 channel video input and 2 channel audio input	17.74
HM-M05-001		USB capture card HM-M05-001 for surveillance video CCTV system, supports 4 channel video input	23.95
HM-M05-002		USB capture card HM-M05-002 for surveillance CCTV system supports 1 to 4 channel video input, reduce investment	22.18

Surveillance Equipment - CCTV Cameras - Box Cameras

Model	Image	Product name	Price
6720Bi		Waterproof infrared CCD camera 6720Bi for surveillance system, 480 TVL horizontal resolution, anti-fog	31.94
STE-615A		Infrared color video camera STE-615A with 24 infrared lamps, 1/4 inch Sharp CCD	18.63
STE-626S		Infrared color dome CCD video camera STE-626S with 24 infrared lamp, 1/3 inch exview HAD interline CCD	24.84
STE-646S		Infrared surveillance camera STE-646S with 1/3 inch CCD, 30 infrared lamp, 40m infrared distance	31.94
STE-656D		Dual lens infrared CCD color video camera STE-656D with 36 infrared lamp	85.16

STE-AF612		Surveillance camera STE-AF612 with 30 infrared lamp, 12mm / F1.2 lens, 1/3 inch color CCD	35.48
STE-HK305		Infrared color video camera STE-HK305 with 24 infrared lamps, 1/4 inch Sharp CCD	18.63
STE-HK436S		Infrared color CCD video camera STE-HK436S with 1/3 inch exview HAD interline CCD sensor, 48 infrared lamp,	26.61
SY-1006IR		Infrared surveillance video camera SY-1006IR supports horizontal resolution of 420/520/540 TVL and 80 ~ 100 meter infrared distance	86.94
SY-2248A		Zoom security camera SY-2248A with 27X optical zoom (f=3.25mm ~ 88mm) supports 480 lines of resolution	102.90
SY-2248CR		Box security camera SY-2248CR with 27X optical zoom lens, effective pixels as high as 795x596	118.87
SY-3028		Box CCD camera with SY-3028 supports electronic exposure EE and auto iris AI	39.92
SY-3036IR		Waterproof surveillance video camera SY-3036IR with 36 pieces of infrared LED and supports 30 meters view distance in low light	25.73
SY-3036IR-II		Waterproof surveillance video camera SY-3036IR-II with 30 meters infrared LEDs	35.48
SY-3040		Box security camera SY-3040 has an 1/3" Sony Super HAD CCD II and supports 520/540 lines of resolution	70.08
SY-4030IR		Infrared security camera SY-4030IR with Sony super HAD CCD II supports signal noise ratio more than 48dB	51.45
SY-5036IR		Waterproof infrared security camera SY-5036IR with Sony or Sharp CCD, 420/520/540 TVL and 50 meters infrared LED	29.27
SY-5136IR		Waterproof infrared CCTV camera SY-5136IR with 36 pcs of	51.45

		LED infrared lights and supports 50 mater infrared view distance	
SY-8004IR		Infrared CCTV camera SY-8004IR supports max 80 meters infrared distance and power supply by AC 220V directly	78.95
SY-8012IR		Infrared surveillance video camera SY-8012IR with 12 pcs of LED infrared lights and supports max 80 meters infrared view distance	70.08
SY-F3036IR		Waterproof infrared surveillance video camera SY-F3036IR with 420 TVL horizontal resolution and supports minimum illumination of 0 Lux	28.39

Surveillance Equipment - CCTV Cameras - Dome Cameras

Model	Image	Product name	Price
STE-366S		Color dome CCD video camera STE-366S with 1/3 inch exview HAD interline CCD sensor	17.74
STE-806S		Infrared color dome CCD video camera STE-806S with 24 infrared lamp, ideal for day and night surveillance purpose	24.84
SY-2022IR		Infrared dome CCTV camera SY-2022IR with 22 infrared lights supports 20 meter infrared view distance	35.48
SY-2024IR		Infrared dome security camera SY-2024IR with 24 pcs of infrared LED lights and supports 20 meters infrared distance	19.52
SY-6012		Dome CCTV video camera SY-6012 supports auto backlight compensation, auto gain, auto white balance	28.39
SY-6012		Dome CCTV video camera SY-6012 supports auto backlight compensation, auto gain, auto white balance	28.39
SY-6026		Dome security video camera SY-6026 with CCD image sensor, supports 420 TVL horizontal resolution, easy installation, easy adjustment	19.52

SY-6029		Dome surveillance video camera SY-6029 with 1/3 inch SONY Super HAD CCD II and supports PAL/NTSC video system	35.48
SY-6030		Varifocal dome camera SY-6030 with 3.5mm ~ 8mm zoom lens, auto white balance, auto electronic shutter	67.42
SY-6056		Elevator surveillance camera SY-6056 with 1/3 inch Sony CCD and wide-angle lens, 420/500/520 horizontal resolution optional	41.69
SY-D3036IR		Vandal dome camera SY-D3036IR with 36 pcs of infrared LED lights and 30 meters of infrared view distance	38.15

Surveillance Equipment - CCTV Cameras - PTZ Dome Cameras

Model	Image	Product name	Price
HGS8006WA		Infrared dome CCD video camera HGS8006WA supports auto flip of horizontal 180° and vertical 90°	283.87
HGS8006WAA		Infrared dome CCD video camera HGS8006WAA supports tilt rotation range of 95° and 1~64 grade scan speed	301.61
HGS8006WCP		Infrared dome CCD video camera HGS8006WCP supports 360° horizontal rotation and 0.1°~180°/s rotation speed	221.77
SY-5322DW		Low speed PTZ dome camera SY-5322DW with 1/4 inch Sony Super HAD CCD camera, 0.44 mega pixels resolution, zoom lens	345.97
SY-5327DW		Low speed PTZ dome camera SY-5327DW supports scanning speed of 5~15° per second and 64 preset scan points	257.26
SY-5518DW		High speed PTZ dome camera SY-5618DW supports 360° horizontal and 90° tilt rotation range. 4.1mm ~ 73.8mm zoom lens	612.10
SY-5622DW		High speed PTZ dome camera SY-5622DW supports 360° monitoring scan, no blind spot, 4.1mm ~ 73.8mm auto or manual zoom	461.29

Surveillance Equipment - Network IP Cameras - CCTV Cameras

Model	Image	Product name	Price
1002		All in one IP camera 1002 supports 120 degree rotation in horizontal and 180 degree in vertical	67.42
A001		Wired and wireless IP camera A001 with 420 TVL resolution supports H.264 video compression, PAL and NTSC video signal formats, two-way sound monitoring	133.06
A101		Wired or wireless IP camera A101 with embedded Linux OS and Web server and Sony CCD image sensor supports max resolution of 720x576 pixels	106.45
A105		Waterproof infrared IP camera A105 with aluminum alloy case ideal for outdoor use and 24 infrared LEDs enables 20 meters night vision	115.32
A110		PTZ dome IP camera A110 with infrared LEDS supports 720x576 pixels resolution, free DDNS bundled	150.81
A111		Infrared dome network IP camera A111 supports PAL and NTSC signal format, auto balance and backlight, with RJ45 Ethernet port	150.81
A112		Infrared dome IP camera A112 support 1 channel alarm input and output, user can get alert by email or FTP	141.94
A113		Infrared wireless dome IP camera A113 for mounted on ceiling, easy to install and convenient to adjust lens position	159.68
A116		Wireless and wired PTZ IP camera A116 with 12 infrared LEDs support 10 meters night vision ideal, ideal for home and office use	145.48
A118		Wireless and wired PTZ IP camera A118 supports 10X optical zoom, 360 degrees pan movement and 180 degrees rotation vertically	337.10
A217		Wireless and wired PTZ IP camera A217 supports 10X optical zoom, 23 infrared LEDs supports night vision of 20 meters	354.84
A305		Night vision IP camera A305 supports 30 meters night view and	124.19

		MPEG4 video compression for outdoor use	
A405		Waterproof infrared IP camera A405 with MAX 720X576 resolution and supports minimum illumination of 0.1 Lux	127.74
A4H7		Low speed PTZ dome IP camera AEF7 supports 22X optical zoom, 360° pan movement and 180° vertical rotation, 20° per second rotation speed	452.42
A505A		Wireless IP security camera A505A with MPEG4 video compression and Sony CCD image sensor supports synamic and static IP address	131.29
AA05		Night vision IP camera AA05 with embedded OS and Sony CCD, 420 TVL resolution, minimum illumination 0.1 lux, 2 channcels alarm input and output	168.55
AAH5		Waterproof infrared IP camera AAH5 with centralized management software supports max 64 channels in one screen, mobile phone remote access	239.52
AEF7		Low speed PTZ dome IP camera AEF7 supports 18X opticl zoom and 12 digital zoom, 64 preset monitoring positions, 100 meters night vision	762.90
AOF7		High speed PTZ dome IP camera AOF7 supports 18X optical zooming and 12X digital zooming, 256 preset monitor positions, preset position zoom, auto cruise	816.13
AOH7		Economic PTZ dome IP camera AOH7 supports 22X or 27X optical zoom lens, 360° pan movement, 180° vertical rotation, 20° per second rotation speed	292.74
C910		Dome IP camera C910 with 300K pixels lens supports motion-JPEG and 640x480 resoluton, free DDNS bounded, access through IE and mobile phone over Internet	63.87
C940		Infrared IP camera C940 can be bundled free dynamic domain for user to access from any where by inputing the dynamic domain in IE Web browser	81.61
C960		Infrared PTZ IP camera C960 and C960A support rotation of 355 degrees pan movement and 90 degrees rotation in vertical	99.35
C970		Dome IP camera C970 with 300K pixels CMOS sensor and	97.58

		support free DNS bundle	
COI7		High speed PTZ dome IP camera COI7 with 23X optical zoom and 10X digital zoom support rotation speed of 200 degrees per second	674.19
D910		Night vision dome IP camera D910 with 0.3 mega pixels CMOS sensor and 24 infrared LEDs supports minimum illumination 0.1 Lux	65.65
D920		Wireless waterproof infrared IP camera D920 has the feature of easy installation, night vision, weatherproof and remote access over Internet	67.42
D970		Pan tilt control IP camera D970 for install on ceiling with 300K pixels CMOS sensor and one way audio input	97.58
E900		IP camera E900 allows remote live video view record and playback over Internet, VGA, CIF, QVGA quality image optional to fit different network bands	44.35
F900		Network camera F900 with built-in OS and Web server allows user to access and view live video over Internet	53.23
F900A		Wireless network IP camera F900A Web monitor via IE, Firefox, Chrome, cell phone and VGA 640X480 resolution	62.10
F920		Waterproof network camera F920 with 0.3 mega pixels CMOS and 24 infrared LEDs supports 20 meters of night vision	67.42
F940		Wireless IP security camera F940 with 300K pixels CMOS image sensor and 48 infrared LEDs	81.61
F950		Waterproof infrared network camera F950 supports RTSP 3G cell phone monitor and 40 meters night vision	85.16
F960		Infrared PTZ IP camera F960 and F960A with 10 pcs of infrared LEDs and allows 8 meters night vision for home, office and store use	102.90

F970		PTZ dome IP camera F970 with CMOS sensor supports resolution of 640x480, 355 degree pan movement and 90 degree vertical rotation	97.58
F980A		Wireless / wired IP camera F980A works stand alone without connection to computer, built-in Web sever, IE access worldwide, remote operation	63.87
HOL7		High speed PTZ dome IP camera HOLF supports 27X optical zoom and 12X digital zoom, max resolution 720x576 pixels, rotation in horizontal and vertical	558.87
NC503		PTZ network camera NC503 with 10 infrared LEDs supports M-JPEG compressin and alarm sensor input and output	74.52
NV540		Wireless IP camera NV540 with 300K pixels CMOS image sensor suports rotation of 70° vertically and 350° Horizontally	85.16

Surveillance Equipment - CCTV Cameras - Hidden Cameras
